

**Hong Kong Organic Resource Centre Certification Limited**  
**Updates of Organic Production, Aquaculture, Processing and Input Manufacturing 2025**  
**(IFOAM and Non-IFOAM Accredited versions)**

**1. New Standard**

<b>New Standard</b>	<b>Content</b>
<b>Chapter 6. Labelling of Organic Products and the use of HKORC-Cert Seals</b>	6.2.3 Multi-component products, live or unprocessed
	6.2.3.1 Multi-component products, live or unprocessed (such as vegetable boxes) may be sold or marketed as organic only if all the components are organic.
	6.2.4.2 “In-conversion” ingredients may be used in multi-ingredient feed. However, the ingredient list must identify their status and the total percentages of “in-conversion”, organic and non-organic ingredients on a dry matter basis.

**2. Revised standards**
